We invite you to take full advantage of the many products and services that your Premier Financial Credit Union Membership offers. PFCU is accessible to you anytime, anywhere and the more you use it the more you will save.

As a not-for-profit financial cooperative, we all share in the benefits of joining together in the form of low interest loans, competitive savings rates, discounted insurance and more. We also share in the cost of running a modern financial institution. Our services are interdependent from an operational standpoint - they help pay for each other. The updated Fee Schedule reflects today's cost of providing each of the services listed. The fees generally only apply to excessive use or abuse situations.

For many years, members who were delinquent on their PFCU Consumer Loans were not charged a Late Payment Fine, even though it was disclosed in the Loan Agreement and Truth In Lending Disclosure. Starting December 1, 2004 Late Payment Fines will be enforced as disclosed in the Loan Agreement.

If you have any questions about the following Fee Schedule or to learn how you can avoid fees, please contact Member Services at (866) 416-3700.
